Please read the following before signing your form

The following statements are valid for the period of coverage I have selected under this plan for myself and my current and future dependents who are or will be covered, unless I or my dependents provide written notification of a change.

- I hereby acknowledge, on behalf of myself and my enrolled family members, that Kaiser Foundation Health Plan of the Northwest (KFHPNW) may request personal health information, including information regarding treatment or services that any of us may receive from a physician, dentist, health care practitioner, hospital, medical/dental office, or other medical/dental facility. I also acknowledge that KFHPNW or its authorized designee may use and disclose such personal health information for treatment, payment, or health care operations without authorization in accordance with applicable law. This is not an authorization for the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

- For traditional, deductible, or high deductible (HSA-qualified) medical plans – I understand that all nonemergency services are covered only when provided by or arranged by participating providers and participating facilities or select providers and select facilities.²

Obtaining services and prior authorization

If you are enrolling in a traditional, deductible, or high deductible medical or dental plan:

All services must be provided, prescribed, or directed by participating providers or Permanente Dental Associates dentists, except for qualifying emergency and urgent care (outside our service area) or authorized referrals.

If you are enrolling in Added Choice®: All Tier 1 services must be provided, prescribed, or directed by select providers, except emergency care or authorized referrals.

If you are enrolling in PPO Plus®: All Tier 1 services must be provided or prescribed by PPO providers and PPO facilities, except emergency care. See your Evidence of Coverage (EOC) for providers and facilities covered under Tier 2 for nonemergency services.

Prior authorization (all plans): Many services require prior authorization in order to be covered. For example, if you are an Added Choice member, most Tier 2 and/or Tier 3 nonemergency care and procedures provided in a hospital, another care facility, or your home, except for maternity care, must be authorized at least 72 hours in advance. See your EOC or contact Member Services to learn which services require prior authorization.

Member Services: For assistance with obtaining services, call Member Services at 1-800-813-2000 (1-866-616-0047 for Added Choice and PPO Plus members). For TTY, call 711. For language interpretation services, call 1-800-324-8010.
