RESPONSES TO QUESTIONS ARISING DURING BIDDING

1) **QUESTION:** Is a construction period longer than 12 months possible?

RESPONSE: Time is of the essence in the commencement, continuation, and completion of the work. Extensions may be granted due to conditions beyond the control of the Contractor or his Subcontractors. Determining validity of such conditions shall be determined by the Architect and approved by the owner. At this time however, the total Contract time is still twelve months to Final Completion, including eleven (11) months to Substantial Completion, plus thirty (30) days to Final Completion. Also see Specification revisions contained herein.

2) **QUESTION:** Is there a Planholders’ List of Bidders for the project?

RESPONSE: Yes, please see attached current Planholders’ List of Bidders, “Willapa Center - Planholder List-2021-05-05.pdf”. Note that this list contains the self-registered plan holders from the “SolicitBid” online plan center, as well as an activity report from “CPC-Contractor Plan Center” directly following. Please also see the various plan centers listed in the Invitation to Bid and look for future updates during the bid period.
